THE FOLLIES

CORPS AREA EDUCATIONAL SUPERVISOR
VISITS CAMP

The "C. C. C. Cavaliers" consist of the following: Al Moxley, Pianist; Arthur Wincate, Announcer; Henry May, Tap Dancer; Floyd Jones, Singer; Owen Durrance & Willie Lewis Negro Team; Walter Packard & Louis "Spaghetti" Bellere, Comedy Team. The "Cavaliers" present their first "Follies" Saturday night at the Manivista Theatre in Chipley, Fla.

This play consists of lots of fun, music, and dialogue for both young and old. The actors are being trained daily for this coming event. These actors are picked as the most comical and talented boys of the camp. We are sure of a great success in our first performance, and we want every one to be present Saturday night to enjoy the fun with us. We guarantee plenty of laughs.

- 0 -

There will also be a stage performance in the Recreation Hall here in camp Friday night. Visitors are invited to come out at all times.

ACCIDENT OCCURRED IN SURVEY CREW

On Tuesday morning of October 16, 1934, Quentin Steele, a temporary member of the Survey Crew, met with an accident in Holmes Creek, about one and a half miles South-east of camp.

Steele at the time was using a bush hook, cutting brush off a line in the swamp. Christy, also a temporary member of the crew, using a bush hook, was working too near Steele. Christy accidentally cut Steele on the arm while both were swinging a brush too close together.

Steele was cut about six inches above the wrist, cutting a gash about an inch and a half long across one of the veins. Mr. Miller, with the aid of Jack Griffin, stopped the bleeding and Mr. Miller brought him into camp. Steele was then sent to Bonifay to have the wound treated by a physician. Five stitches were required to sew up the

We were glad to have for an over night visitor with us last Tuesday night Mr. C. A. Edson, Corps Area Educational Supervisor, who is making a tour of inspection of the camps in this district. While in camp, Mr. Edson got into an interesting knot-tying session, and soon demonstrated to the fellows in the "Rigging" Class that he knows his knots. This type of work in the Educational line, is especially favored by Mr. Edson and it is hoped that other groups will begin studying some similar handicraft subject. After inspecting the various aspects of the work being done here in camp by the men, Mr. Edson made several suggestions as to how we can improve our camp and educational program. Let's all put our shoulders to the wheel and put into effect some of these ideas so that Mr. Edson will see a big improvement on his next visit.

R. P. Trogon, CEA.

TREES

by

Joyce Kilmer

I think that I shall never see
A poem lovely as a tree.

A tree whose hungry mouth is prest
Against the earth's sweet flowing breast;

A tree that looks at God all day
and lifts her leafy arms to pray;
A tree that may in summer wear
A nest of robins in her hair.

Upon whose bosom snow has lain;
Who intimately lives with rain.

Poems are made by fools like me,
But only God can make a tree.

FLORIDA vs. TULANE

Some of the members of this company: Al Mozley, Dick Turlington, Herbert Drummond, Jack Griffin, and Carl Townsend accompanied by Mr. Trogdon, our Educational Adviser, made a trip down to Gainesville, this past week-end, to attend the the Florida - Tulane football game.

Some of the boys got out at their homes and attended the game on Saturday afternoon.

While over at the game, Mr. Trogdon, Al Mozley, and Carl Townsend were the guests of the Beta Theta Pi Fraternity.

The Gators although not victorious played a whale of a game against such competition as they had. The completely out played Tulane in the last half of the game. The final score was twenty-eight to twelve. The trip was enjoyed by everyone and we hope to see the Gators again in action this Homecoming.

SPORTSC. C. C. BOYS WIN DONKEY BASEBALL

The boys of Co. 1416 are still interested in baseball. The Bonifay Business Men's Club challenged the camp in a donkey baseball game last Friday evening on the Bonifay Diamond. The boys that participated in this game did not know any of the regulations of the game but they soon learned. The game was very close until the last half of the eighth inning, then the Bonifay men put all their salesmanship into urging the donkeys forward. The score at the end of the game was 3-3. The game was to be played off Saturday. The boys were still in the fighting mood and won over the Business Men's Club, Saturday, the score being five to one. The C.C.C. Boys never lose the fighting spirit that one gains in High School athletics, because we also have a school in the C.C.C. that will enable us to be better men when we leave to face the business world.

BASKETBALL

A meeting was called Tuesday night for the benefit of all those who were interested in basketball. There were 20 men present at this meeting. We are hoping that these men stick to us throughout the season and that more will come out for the team, for we are expecting the best team in the state. We should have because we have a pick from over 200 boys from the different cities of the state.

THE BLACK AND BLUE SHIRTS

The girls in Bonifay and Chipley think that every boy out here at camp has either a black shirt or a blue one, because so many of the boys have been seen in town at different times with these shirts on. Hope the girls don't think there is any "hoo-do" lodge or club being started here. It might scare them away.

Off all sad words-
Of tongue and pen,
The saddest of these-
"It might have been."

-Selected

THE SOCIETY OWL'S EYE

Camp P-69 was honored last week-end by some very distinguished visitors connected with the Florida Forest Service. These visitors were: Mr. J. R. Hiner, Regional Forester, of Atlanta; Mr. J. B. Glen, Vice President of Florida Forest Service, of Tallahassee; Col. M. B. Hawkins, Asst. Director of Forestry, FSW-Camps, of Tallahassee; and Mr. N. R. Harding, District Forester, of Panama City. These gentlemen were here for the purpose of inspecting the work that has been done by the camp.

---c---o---o---

Capt. A. D. Somerville, our Commanding Officer, left Tuesday morning for a weeks leave of absence. We hope that Capt. Somerville enjoys his trip very much.

---o---o---o---

We are glad to see our Senior Foreman, Cecil Poythress, back with us after a visit to his home in Jacksonville, where his mother is very ill. We hope that she recovers soon, Cecil.

---o---o---o---

Mr. P. S. Kelly left last Saturday for Jacksonville where he spent the week-end. Returning with Mr. Kelly were Mrs. P. S. Kelly, our Camp Hostess, her sister, Mrs. W. M. Blakey of Montgomery, Ala., and daughter, Eva Kelly.

---*---*---*---*---

G. C. C. BOYS ATTEND SUNDAY SCHOOL

Sunday morning, October 14, 1934, a group of boys from the camp attended Sunday School at the Baptist Church in Bonifay. A way was provided by the members of the Bonifay Baptist Church, to transport the boys interested in Sunday School and Church. The members of the church have taken interest in the boys enough to provide a way to carry them in so I don't see why we can't have a good crowd ready next Sunday morning when the truck comes after us.

---*---*---*---

THROUGH THE AID OF THE MERCHANTS IN BONIFAY AND CHIPLEY IT IS POSSIBLE FOR US TO PRINT THIS PAPER - - TRADE WITH THEM.

Who was the young girl that kept the sidewalks hot in Chipley waiting for Cecil P. to return. Oh, you Cecil!

---o---

Wonder why "Egg-head" Wilson goes home so much. Can it be Irish?

---o---

Is Barlowe going to Caryville in answer to that hot letter? He'd better, or else.

---o---

We hope that Luke Martin gets a car soon so that his girl at the "Lantern" won't have to walk so far. Also he may get in be chow time Saturday mornings.

---o---

What does a dairy have besides milk that keeps B. Thompson, O'Steen, Jim Blair, and McCleod out all night? Maybe it's butter.

---o---

The Howard sisters in Chipley are trying to make a track team out of a few CCC boys by keeping them in training running from their front porch to the street that the trucks run on. Run you CCC boys, run.

---o---

Even the night watchman has a few foot races from there. I reckon as how I'll have to investigate this personally.

---o---

I wonder whose husband Cannon was fleeing from when he wrecked the dump truck.

---*---*---

Next week all our "Fresh meat" will be hitting the high spots, so if any of you old boys want to get in any romances, you had better do it this week, or else.

---o---

Some say "Shorty" Tyre does and some say he doesn't. Now what I want to know is, does he slumber in bed?

---o---

With a merry Hi, and a Ho-De-Ho, bid you adios.

WHO - - - - - ? - - - - - WHO.

Netta Mae: God gives us our Daily Bread doesn't He Mother?

Mother: Yes, dear.

N. M. : And Santa Claus brings us our toys?

Mother: Yes, dear.

Netta Mae: Then what is Papa hanging around for?

THE CALL OF NIGHT

by

Coy H. Pelham

- o --O--o--

Out across the hill tops
Fall the shades of night.
Swiftly o're the valleys
Flees the last of night.
Down in the swamps
the whip-o-will calls,
Calls to its mate in the fall.

Then answers all the wild --
Hear the dove on the hill,
Hear the quail on the rill,
See the turkey hang his head,
As if in thoughts or dread,
Or thinking of his ancestors
On the verdant plains,
Gathering up the wild grains.

Then far away calls the owl,
Who is both old and wise.
See the shadow creeping
As the quiet of day softly dies.
Hear the rustling waters creeping,
Then calls the whip-o-will,
And then falls the shades of night --
Then all is quiet and still.

- o --O-- o -

Do you know the Preamble to the Constitution? If you do not, you should learn it.

THE PREAMBLE

We, the people of the United States, in order to form a more perfect Union, establish justice, insure domestic tranquillity, provide the common defense, promote the general welfare, and secure the blessings of liberty to ourselves and our posterity, do ordain and establish this Constitution for the United States of America.

MORE ABOUT MARY

Mary had a little Ford,
She drove it up town one day.
She had to take her father along
To keep the C.C.C. boys away.

-Shields.

FREE -- FOR -- ALL

GRAND OLD OPERA

It is now time for --
The deer steps to step,
The side walks to walk,
The gold-brickies to brick,
The day-roll to roll,
The H. P.s. to get busy about their work,
While gently the old cow slips away.

--o---O---o--

And don't forget that the light plant operator should rate,

--o---O---o--

C.C.C. BOY : I'd walk a mile for a Bull Durham duck.

--o---O---o--

Enrollee: Dear, you're the sunshine of my life. You're worth a million dollars to me.

Girl: If I'm worth that much to a C.C.C. boy, then what would I be worth to someone who had money?

-Shields.

--o---O---o--

STORMY WEATHER

Poythress' first inspection after returning from a few days leave, left the barracks looking as if they had been storm struck. Apparently, when he got home, he found his dog seriously ill or his best girl in love with someone else.

What! No Signature?

--o---O---o--

Mr. Wilson will have to get a new whistle. The one he has is loud enough to hear at quitting time, but it can't be heard at starting time.

P. W. Mc.

--o---O---o--

Nothing is easier than fault-finding; no talent, no self-denial, no brains, no character are required to set up in the grumbling business.

Robert West.

COMMERCIAL LAW

Mr. A. P. Drummond from the Bonifay Bank met with the Commercial Law class Thursday night and discussed with the class our monetary system and instruments of credit. The class was shown several kinds of bills including a \$100 bill (a very dangerous thing to display before C.C.C. boys), and the silver policy of the Government was discussed. Also he showed the class several technicalities about checks and drafts. We thank Mr. Drummond for his interest in us out here,

"TRIG"

The trigonometry class which consists of seven members and is taught by Mr. Miller is progressing slowly but surely in the study of trigonometry. The boys are very interested in this subject, especially in the practical aspect. Mr. Miller is bringing out this aspect through the use of problems that come up around camp or in the woods that can be solved by Trigonometry. There is a class that is not dry but is very interesting and the class would like to have more members to enter it.

Practically Nothing --

Preacher: Mr. Tyre, why don't you come to church?

Tyre: Well, Preacher, every time I come to church you tell a lie.

Preacher: You come tonight, and if I tell a lie you tell me.

Tyre: O. K.

That Night at Church -

Preacher: (In his sermon) Well, folks, there is nothing that can pull grass as close as a goose.

Tyre: That's a lie. A gander can pull it just as close.

CHARACTER

- O -

The first and best victory is to conquer self; to be conquered by self is, of all things, the most shameful and vile.

-Plato.

DEDICATED TO C.C.C. GOLDBRICKERS.

- O -

I wish I was a little rock,
On top of yonder hill,
A doing nothing all day long,
But just a setting still.

I wouldn't eat, I wouldn't sleep,
I wouldn't even wash...
I'd set and set a thousand years,
And rest myself - BY GOSH.

-Happy Days.
